Track Skeet & Sporting Clays Scores and Stats On Your iPhone!

The days of fumbling around with pencils and scorecards are gone forever. Introducing ClayTracker, an exciting new scoring app for the iPhone and iPod Touch. Now you can

effortlessly score your rounds and view your history with one-hand, touch screen simplicity. Download ClayTracker today and make your next round of clays even more enjoyable.

★★★★★
 "Cool app. It was great to watch it go from concept to the AppStore." Anthony Matarese Jr.

★★★★★
 "The best thing is it fits in your pocket and eliminates pencils and clipboards. The rest is icing on the cake." Shotgun Life Review

Available now on the iPhone App Store.
